

Help the Texas Retired Texas Teachers Foundation reach their goal of \$100,000!

DONATE TODAY!

Since 2008, TRTA members have helped 126 retirees get back on their feet, 10 residents of West recover from a devastating disaster, 500 active and retired educators recover from Hurricane Harvey, 156 classroom teachers implement innovative projects and learning methods for their students, and 144 future educators pursue their passion for teaching.

More than \$480,000 has been given to educators of the past, present and future around the state!

Your donation can mean so many things but changing a life for the better is the ultimate result.

Your donation means that a retiree living on an income of less than \$800 per month can receive much-needed hearing aids, dental work, food, pay for their Medicare premium and so much more!

Your donation means that a classroom teacher will teach her students how to run their own business, grow food, build robots and even how to write and publish their school's first student newspaper!

Your donation means that another student who grew to love education because of the positive influence of a teacher will become an educator themselves.

Together, our charitable programs ("A Helping Hand," disaster relief fund, classroom assistance grants, and beginning teacher scholarships), along with our educational program (the Legacy Campaign) and endowment fund, keep the compassion and dedication to education alive!

If every TRTA member gave just \$10, we could raise an astonishing \$800,000!

You have helped us change many lives in the past. Now help us change the future today, tomorrow, and every day! Please make your tax-deductible donation to TRTF today!

This is our annual appeal. Using *The VOICE* for our appeal saves thousands of dollars in postage, so that thousands more can be dedicated to our charitable programs. Please use the card found on the back of *The VOICE* and enclosed postage paid envelope to send in your donation.

Thank you for helping us change lives every day!

With your donation, we can provide financial assistance to 35+ retirees in need, provide urgent financial relief to educators hit by a widespread disaster, award scholarships to first-year educators who will carry on the Texas education legacy, give classroom grants to educators with innovative projects that motivate the students in our Texas public classrooms, and change lives while promoting a positive image of public education.
