Frequently Asked Questions

What is the Texas Retired Teachers Foundation?

The Texas Retired Teachers Foundation (TRTF) is the philanthropic arm of the Texas Retired Teachers Association (TRTA). Founded in 1988, the Foundation's original purpose was to raise funds to build the home office for TRTA in Austin. After the successful completion of the TRTA building, the Foundation was incorporated as a 501(c)3 non-profit organization. A brief history of the Foundation may be found in this training packet or at <https://trtf.org/about/history/>.

What is the mission of TRTF?

The Texas Retired Teachers Foundation is a non-profit organization that works to provide resources for retired TRS annuitants, as well as active and beginning teachers.

What are TRTF's charitable programs?

TRTF supports three charitable programs: beginning teacher scholarships (previously student scholarships), classroom assistance grants, "A Helping Hand," and our educational program, the Legacy Campaign. These programs enable TRTF to support retired, current, and future educators.

TRTF also supports the Lehr-Pritchard Endowment Fund to raise revenue for the long-term financial support of "A Helping Hand." For this effort, TRTF is asking every member of TRTA to consider making a one-time donation of \$30 and designate it for the Lehr-Pritchard Endowment Fund, helping TRTF reach its goal of \$2,000,000 in donations by December 31, 2019.

TRTF also began a Disaster Relief Program in the summer of 2017 after the devastation caused to multiple Texas counties and cities by Hurricane Harvey. TRTF plans to continue utilize the Disaster Relief program to aid with other potential natural disasters in Texas that may occur in the future.

Beginning teacher scholarships are awarded to recent college graduates who are about to begin teaching for the very first time. All recipients must be relatives of a TRTA member. Classroom assistance grants are awarded to public school teachers who demonstrate a daily commitment to public education and Texas children through the creation of programs, events or other learning platforms. "A Helping Hand" provides public education retirees with financial assistance for a one-time special need or short-term hardship. Recipients include anyone who is eligible to receive an annuity from the Teacher Retirement System of Texas. The Legacy Campaign provides factual resources about defined benefit retirement plans, and supports a positive image of public education and current and retired school personnel in Texas.

Frequently Asked Questions continued...

Does the Foundation need donations?

Yes. In order to support TRTF's programs, donations are needed. If every member of TRTA donated just \$1, TRTF would raise an astounding \$80,000! If every member of TRTA donated \$2, that amount would double to \$160,000! We make a significant difference in the lives of many students, educators and retirees thanks to the generosity of TRTA members.

How can I make a donation to the Foundation?

Please send a check or money order to the Texas Retired Teachers Foundation, 313 E. 12th St. Ste. 220, Austin, TX 78701. All donations are tax-deductible and will be acknowledged by the Foundation office. Donors may designate funds for any of the Foundation's charitable programs or Lehr-Pritchard Endowment Fund, and may give a gift in memory or honor of a loved one. Recipients of memorials and honorariums may be notified of the donation if the donor provides the name and mailing address of the recipient to the TRTF office along with their donation.

Donations may be made over the phone using a credit card by calling 1.800.880.1650 and asking for Sarah Richardson. Donations may also be made through the TRTF website www.trtf.org/donate.

A Brief History of the Texas Retired Teachers Foundation

The Texas Retired Teachers Foundation (TRTF) was formed in 1988 as a part of the Texas Retired Teachers Association (TRTA) under the name the Building Fund Trust. The trust was formed for the purpose of acquiring and providing a home office building for TRTA in Austin.

From 1988 to 2000, the Building Fund Trust raised funds through the “Walkway by the Wall” campaign, accumulating as much as \$125,000 in one year. The Building Fund Trust also purchased a lot at 12th and Trinity streets in Austin in 1992, which was rented out for parking until construction started.

In the late 1990s, the Building Fund Trust committee members learned it was not technically possible to accept tax-deductible donations as a part of TRTA (a 501(c)(4) nonprofit organization) because of TRTA’s involvement in legislative activities.

As a result, TRTF was incorporated as a 501(c)(3) nonprofit foundation with an educational and charitable mission in 2000. Such nonprofit foundations are prohibited from participating in lobbying and other political activities.

The funds procured through the Building Fund Trust and the responsibility of the TRTA building were transferred to the Foundation Board of Trustees. This action was followed by the TRTA Board of Directors authorizing a 99-year lease of the lot at 12th and Trinity to TRTF. In return, the association would receive prepaid rent on 10 percent of the available office space and seven parking spaces.

To build the office center, TRTF formed an alliance known as the 12th Street Limited Partnership with Development 2000, Inc. Under the agreement, Development 2000, Inc. assumed the role of managing partner and 30 percent ownership of the building while TRTF gained 70 percent ownership of the office center.

TRTF achieved a landmark goal as construction of the Trinity Office Center ended in 2004 and the building was fully leased by 2006. That year, TRTF entered a new phase of growth and development, and has since launched new programs to support public

education in Texas and enhance the lives of retired teachers and school personnel. Programs include scholarships for students pursuing degrees in education, and grants for public school teachers to meet classroom needs.

TRTF launched a pilot version of its newest charitable program, "A Helping Hand," in February 2010 in four districts: 8, 12, 17, and 20. This program provides financial assistance for education retirees in critical need. "A Helping Hand" launched statewide in October 2010, and has provided over \$102,000 in assistance to date.

In November 2011, TRTF began a new venture, the Legacy Campaign. The purpose of the Legacy Campaign is to raise funds for developing factual resource materials about defined benefit pension plans and the value of the Teacher Retirement System of Texas. Additionally, the campaign promotes a positive image of public education in Texas, with an emphasis on appreciating the legacy of our retired and current school personnel.

In October 2013, TRTA and TRTF reached a new landmark as the building was refinanced and TRTA entered into an agreement to purchase the remaining 30% of the partnership not owned by TRTF. As part of the purchase, TRTA purchased a 29% limited partnership interest in the partnership from the existing limited partners. In addition, TRTA formed TRTA GP, LLC, a single member non-profit limited liability company which purchased the 1% general partnership interest owned by the then existing general partner of the partnership. After this acquisition, TRTF and the TRTA own 100% of the entire office building and garage. This is a momentous achievement for TRTF and TRTA!

TRTF created the new Beginning Teacher Scholarship program to replace its Student Scholarship program in 2017. The program provides funds to recent college graduates to assist with paying for certification tests and materials for the new teacher's very first classroom. The first ten recipients of this program were announced at the 64th Annual TRTA Convention in March 2017.

During the summer of 2017, TRTF created the Disaster Relief Fund as a response to the devastation left in the wake of Hurricane Harvey. Raising more than \$150,000, the Foundation was able to assist both retired and active educators with short-term and long-term financial assistance. TRTF plans to continue the Disaster Relief Program, allowing the organization to raise funds to help educators when other natural disasters occur in Texas in the future.

The Board of Trustees, TRTA Executive Director Tim Lee, TRTA Associate Director Cindee Sharp, and TRTA Administrative Assistant Sarah Richardson work diligently to enhance the foundation's programs. We welcome your suggestions to improve the lives of education retirees.

Initiatives and Goals: What Our Foundation Does!

- I. Did you know TRTF has given out more than \$483,000 to educators all across Texas since 2008? Please help us make a difference in the lives of educators by supporting Foundation Month!
 - a. November 2018 was designated by the TRTA Board of Directors as Foundation Month.

 - iv. TRTF will provide limited grants through the Disaster Relief Fund as funds allow. We will continue to raise funds for this program to stand ready for the next disaster. After Hurricane Harvey, TRTF received and distributed more than \$160,000 to more than 450 retired and active educators.
 - v. TRTF will continue to raise funds for the Lehr-Pritchard Endowment Fund, which began in 2016 to honor of the 25th anniversary of the CPI Catch-Up Plan.
 1. TRTF is asking all members of TRTA to consider donating \$30 to the fund. All earnings from the endowment fund will be used to

support “A Helping Hand” for the foreseeable future, as more and more retirees may be in need of assistance. TRTF hopes to raise at least \$200,000 in donations for this program by December 2019 and has raised \$190,000 so far.

Donations: Making it Work!

- II. Donations are needed to support our many charitable programs: Beginning Teacher Scholarships, Classroom Assistance Grants, “A Helping Hand,” and the Legacy Campaign, as well as the Lehr-Pritchard Endowment Fund and Disaster Relief Fund.
 - a. How to donate:
 - a. Use the donation card found in the Foundation brochure or in the *The VOICE* and mail to the TRTF office: TRTF, 313 E. 12th Street, Suite 220, Austin, TX 78701.
 - b. Members can also donate online through the TRTF website (www.trtf.org/donate).
 - c. Members may call the TRTF office in Austin at 1.800.880.1650 and speak with Sarah Richardson to make a credit card donation over the phone.

Types of contributions

- b. Donors may give a gift in memory of a loved one. Instead of flowers, members may consider making a lasting memorial contribution to TRTF.
- c. Members may leave a contribution for TRTF in their will.
- d. When donating in memory or in honor of someone, please provide contact information of the person to receive a notification of the donation, including mailing address.
- e. All donations will be acknowledged by the Foundation office.

Fundraising for TRTF

- III. Simple, cost-effective fundraising techniques are available on the TRTF website should your district or local unit choose to raise money for TRTF during the year. They are fun and help members get involved. Visit www.trtf.org/news/simple-fundraising-ideas to learn more.

Why we need our Local Unit Representatives and District Liaisons

- IV. It is important that every local unit designate a person to serve as their Foundation Representative.

 - b. TRTF has an electronic newsletter available by email entitled *The Ledger*. Please contact Cindee Sharp to sign up (help@trtf.org).
 - c. TRTF has a Resource Guide to help representatives and liaisons. Email help@trtf.org to request one.

TRTF's Programs

V. "A Helping Hand"

- a. TRTF's program "A Helping Hand" aids public education retirees in critical, emergency need by providing grants. The program has provided over \$133,000 in grants to 132 retirees.
- b. Applications can be requested by contacting the TRTF office at 1.800.880.1650 or sending an email to help@trtf.org. **PLEASE NOTE:** Application materials were updated in August 2018. Please discard any previous application forms.
- c. Local unit presidents or foundation representatives can assist an individual seeking help. They may also receive the grant request and forward them to the TRTF office. A committee will review the applications and upon approval, funds will be forwarded directly to a vendor or company to help the retiree pay for a bill or bid.
- d. A list of recipients is not available for the public, as all applications are kept confidential. Only those recipients who give us permission to share their story are revealed. Grants have helped retirees receive space heaters, pay for utilities, medical and dental bills, eyeglasses, food and even a wheelchair. TRTF has helped purchase hearing aids and dentures.
- e. Recently, our Trustees have been able to refer applicants to an Area Agency on Aging counselor. Some applications that Trustees have reviewed required more help than TRTF was able to provide. Being able to share information about this important resource has provided long-term results for applicants and enhanced their quality of life. For a complete list of Area Agency on Aging offices contact: <https://www.dads.state.tx.us/contact/aaa.cfm>

Beginning Teacher Scholarships

- f. TRTF created the Beginning Teacher Scholarship program to replace its Student Scholarship program in 2017. “A Helping Hand” Assistance Program: Guidelines

Who is eligible for assistance?

Any person who is receiving or is eligible to receive an annuity from the Teacher Retirement System of Texas (TRS) may apply for a TRTF grant through the “A Helping Hand” program. This includes retirees already receiving their TRS benefits and their beneficiaries, as well as anyone eligible for a TRS benefit who is not yet retired. Membership in the Texas Retired Teachers Association (TRTA) is not required.

For what needs may a Grant Seeker request aid?

The grant seeker must demonstrate verifiable emergency need. Emergency need is defined as a short-term financial hardship caused by unexpected or extenuating circumstances such as natural disasters, illness, injury, accidents, or crisis that requires quick action. TRTF may, in its sole and absolute discretion, determine what is and is not considered an emergency need for the purposes of approving or denying a grant application through the “A Helping Hand” program. The emergency need must be verified with qualifying documentation (such as bills, bids, estimates, collection notices, or other documentation deemed acceptable by the TRTF Board demonstrating the financial cost incurred by the grant seeker).

Examples of emergency need include:

Food, rent, or utilities; emergency transportation and vehicle repair; medical/dental expenses; expenses related to home repairs or vandalism.

TRTF will not provide funds for:

Non-essentials; to finance vacation; to pay fines or legal expenses; to liquidate or consolidate debt; for purchase of home or home improvements for aesthetic purposes; to purchase, rent, or lease a vehicle; to cover bad checks or pay credit card bills

How much aid can the grant seeker request?

TRTF will award grants in any amount up to \$1000 per grant application. Please indicate on the application form how much aid is needed and attach qualifying documentation to the request. Qualifying documentation includes but is not limited to copies of bills, bids or estimates for repairs, collection notices, or other estimates for services. TRTF may, in its sole and absolute discretion, consider grant applications in which the requested amount exceeds the \$1000 limit. The decision to approve a grant application that exceeds \$1000 shall not in any way set a precedent or be used as a basis for the approval of any other grant application.

How often may an applicant request aid?

Applicants may request aid as many times as they wish within a calendar year; however, the awarding of an initial grant in no way implies or guarantees that a subsequent grant application will be approved. TRTF reserves the right to deny any application that, in its sole and absolute discretion, does not meet the program guidelines or does not reflect or further the values of the Foundation as expressed in its mission, as interpreted by the Board of Trustees of the Foundation.
